BARBOUR COUNTY
FEE DISTRIBUTION CHART

Title 12, Chapter 19, Article 2, Code of Alabama 1975, generally governs the amount and manner of distribution of docket fees which shall be assessed and collected in district and circuit courts throughout the state. The docket fees are uniform throughout the state, except in those counties where additional court costs are authorized by local act. This chart outlines the docket fees and other fees and monies authorized by the statute to be collected. The distribution of the fees as required by the statute is set forth beside each fee. Please note that "X" in the account code indicates multiple codes authorized by statute i.e. XXXX indicates that it could be codes for a county, state, or municipal misdemeanor, felony or traffic offense instead of listing multiple codes for the same statutes(S700, C700, MT01, SM00, CM00, MM01, etc.), a generic account code was used.

BARBOUR COUNTY
FEE DISTRIBUTION CHART

Title 12, Chapter 19, Article 2, Code of Alabama 1975, generally governs the amount and manner of distribution of docket fees which shall be assessed and collected in district and circuit courts throughout the state. The docket fees are uniform throughout the state, except in those counties where additional court costs are authorized by local act. This chart outlines the docket fees and other fees and monies authorized by the statute to be collected. The distribution of the fees as required by the statute is set forth beside each fee. Please note that "X" in the account code indicates multiple codes authorized by statute i.e. XXXX indicates that it could be costs for a county, state, or municipal misdemeanor, felony or traffic offense instead of listing multiple codes for the same statutes(S700, C700, MT01, SM00, CM00, MM01, etc.), a generic account code was used.
