RE: Revised Child Day Care Rate Chart For Use With The Alabama Child Support Guidelines - Rule 32, ARJA

On September 22, 2005, the Administrative Office of Courts received notice of the revised Child Day Care Rates that were implemented by the Department of Human Resources effective October 1, 2005. In accordance with the Alabama Child Support Guidelines, Rule 32, ARJA, I am forwarding a copy of the Department of Human Resources rate chart to you. Rule 32(A)(8) further provides that the clerk shall maintain a copy of the current schedule in his/her office, shall make it available for review, and shall provide copies of it on request at the customary cost for copies of documents. Also attached is the same schedule prepared by the Administrative Office of Courts showing the Child Day Care Rates by county.

The new schedule for rates provides maximum weekly rates per child for day care in all Alabama counties. Rates are given for three school ages: infants/toddlers (0-30 months of age); preschool (30 months-school age); and school age. Rates are also given according to four licensing categories: child care center (licensed to serve more than 12 children); child care group facility (licensed for 7 to 12 children); and family day care center (licensed for 1 to 6 children). The maximum rate for "in-home day care," where services are provided in the child's own home, in all counties is $35.00. The maximum part-time rate is one-half the full time rate for the appropriate type of care and the age of the child.

If you have any questions concerning this chart, you may wish to call the Child Care Subsidy Program at the Department of Human Resources (334) 242-1427.
