Rich Hobson
Administrative Director of Courts

Dear Chief Justice Parker:

In accordance with §12-5-10, Code of Alabama 1975, I am pleased to submit, on behalf of the Administrative Office of Courts, the 2020 Annual Report for the Alabama Unified Judicial System (UJS). This report is an overview of the events and a compendium of statistical data for the period from October 1, 2019, through September 30, 2020.

The second half of FY2020 came with a worldwide pandemic. The UJS responded accordingly, and the Courts remained open. It was only through the dedication of our officials and employees that the citizens of Alabama were served. The accomplishments made during FY2020 reflect the dedication and commitment of over 1,900 officials and employees who make up the Alabama Unified Judicial System. Our judges, circuit clerks, court reporters, court specialists, court referral officers, court attendants, judicial assistants, and juvenile probation officers who make up the UJS continue to assist in the administration of the justice and the management of judicial process.

I hope this report provides the citizens of Alabama with an increased understanding of the judicial system and a reassurance that our courts are providing judicial services in an effective and cost-efficient manner.

Sincerely,

Rich Hobson
Administrative Director of Courts

ALABAMA'S UNIFIED JUDICIAL SYSTEM

The Judicial Article Implementation Act of 1975 (Act No. 1975-1205) revised the Alabama Court System and prescribed the pattern for its operation. The major changes included:

- Over four hundred trial courts were reorganized into a unified system;
- Judges were required to be attorneys, with the exception of probate judges;
- Uniform jurisdictions were established for all trial courts;
- Judges were prohibited from re-election or appointment after the age of seventy;
- Authority was granted to the Supreme Court of Alabama to adopt rules pertaining to the administration of courts as well as governing practice and procedure;
- Provisions for the adoption of the *Canons of Judicial Ethics*;
- Provisions for the flexible assignment of judges;
- A central judicial administration system was built into the Alabama Constitution;
- Provisions for a Judicial Compensation Commission; and
- The creation of the Judicial Inquiry Commission and the Court of the Judiciary.

Amendment 328 of the Alabama Constitution of 1901 further provided for the exclusive judicial power of the State to be vested in a Unified Judicial System, to become effective January 17, 1977. Today, the Supreme Court of Alabama, the Court of Criminal Appeals, the Court of Civil Appeals, and the Administrative Office of Courts all operate within a single location in Montgomery, Alabama.

The Alabama Constitution, in addition to providing for the appellate courts of the State, provides for a trial court of general jurisdiction, known as the circuit court; a trial court for limited jurisdiction known as the district court; a probate court; and such municipal courts as may be provided by law.

The State of Alabama is divided into 41 judicial circuits, numbered and composed of counties in the same region. Jury trials within the State of Alabama occur at the circuit court level.

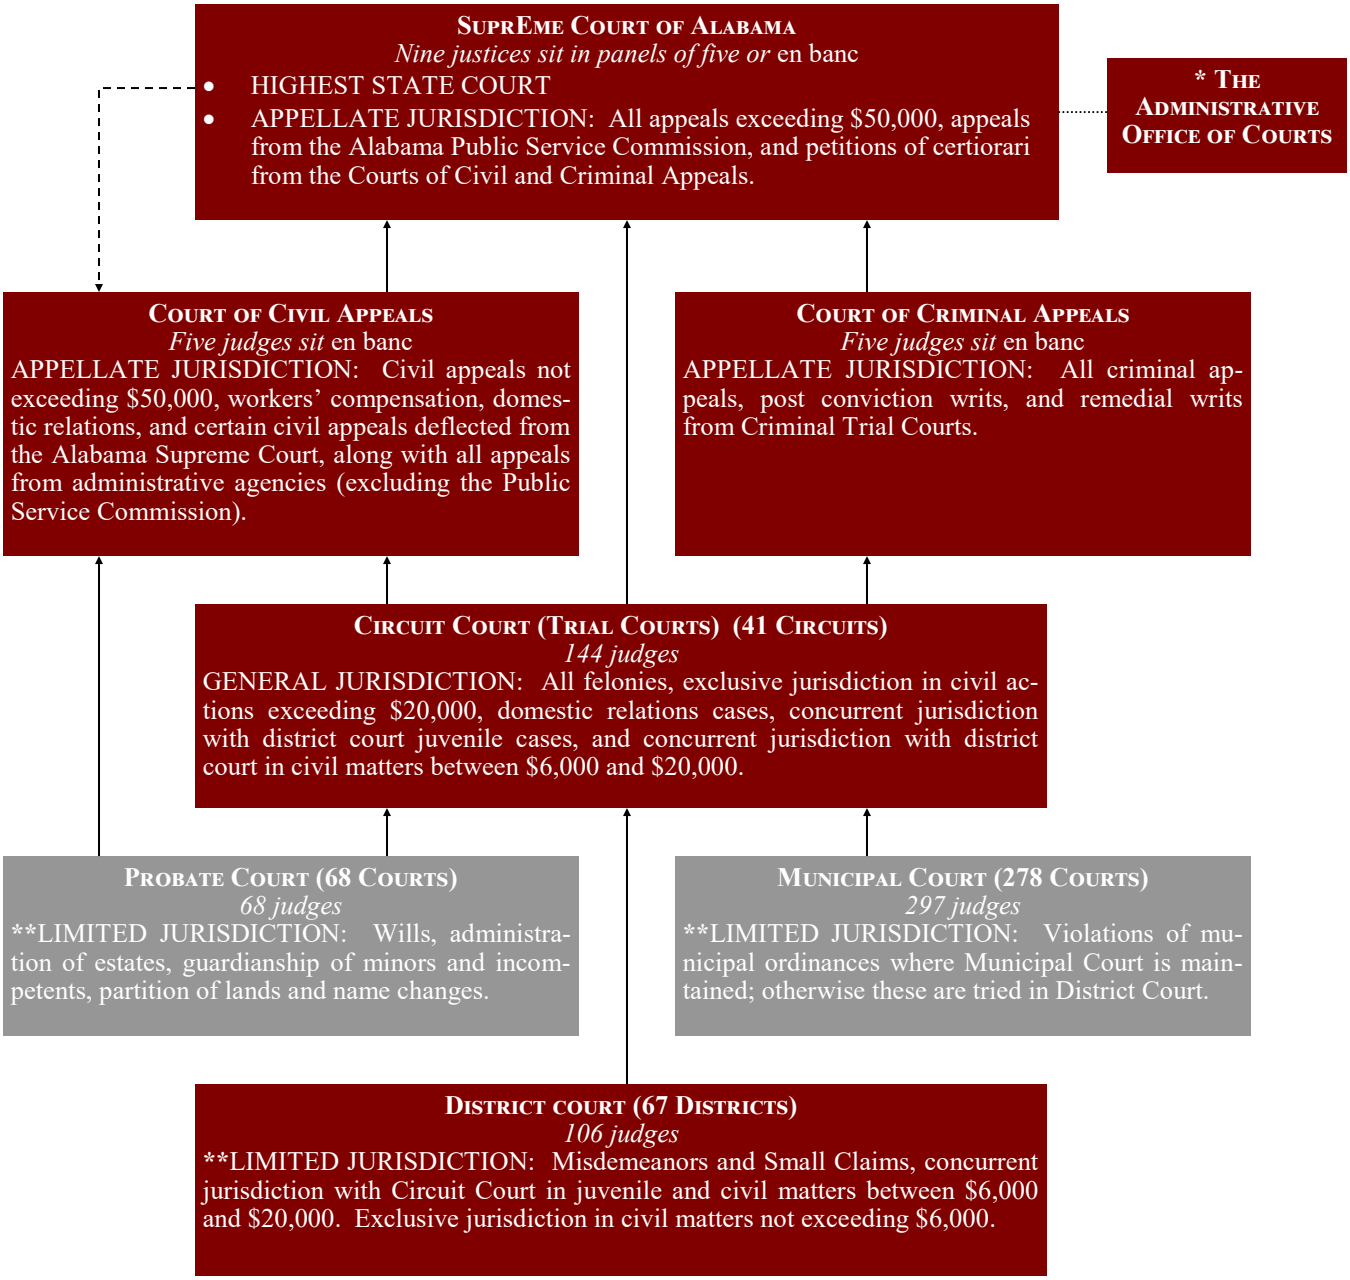

There is an office of the circuit clerk in each of the sixty-seven counties and one in the Bessemer Division of Jefferson County. The duties of the circuit clerk include the filing, processing, and maintenance of all court records.

Sessions of the district court are required to be held in each county seat. Although the district court is considered to be a "court of record," transcripts or reports of the court proceedings are not required by law. All cases are tried without a jury.

Any given municipality of the State of Alabama, if it elects to do so, holds its own court proceedings according to the limitations provided by law. If the municipal court is abolished by that governing body, jurisdiction is transferred to the appropriate district court.

The probate courts in each county of the State have original and general jurisdictions over very specific matters delineated by statute. While constitutionally a part of the Alabama Judicial System, the probate courts are not included in the system's budget and are administered locally by the respective probate judge. Funding is generated through the county governments or through fees generated in probate court.

THE APPELLATE PROCESS IN THE STATE OF ALABAMA

THE SUPREME COURT OF ALABAMA

Seated, from left to right: Justice Kelli Wise, Justice Michael Bolin, Chief Justice Tom Parker, Justice Greg Shaw and Justice Tommy Bryan. Standing, from left to right: Justice Sarah Stewart, Justice William Sellers, Justice Brady Mendheim, Jr. and Justice Jay Mitchell.

The Supreme Court of Alabama, Alabama's court of last resort, is composed of a Chief Justice and eight Associate Justices. All members of the Court are elected in statewide elections to six-year terms. The Supreme Court has general supervisory authority over all courts in the State and power to review any judgment of these courts. In addition, the Supreme Court has the authority to make administrative rules and regulations to ensure the efficient and speedy administration of justice and to make and promulgate rules governing practice and procedure in all courts in the state.

To facilitate the decision-making process, the Supreme Court has traditionally been divided into two divisions with a panel of four associate justices each. The Chief Justice sits on both divisions. If the five members of a division disagree on the disposition of a particular case, the case must be submitted to the entire Court for resolution. The Court's internal rules require consideration by the full Court of petitions for certiorari review in capital cases in which the death penalty is imposed, cases declaring a statute unconstitutional, advisory opinions to the Governor or the Legislature, utility rate cases, cases overruling a previous decision of the Supreme Court, and petitions for certiorari review in instances where the Supreme Court is reversing a judgment of the Court of Criminal Appeals or the Court of Civil Appeals. The Supreme Court disposed of a total of 1,114 cases during fiscal year 2020. Of that total, 440 of the cases were direct appeals and 387 were petitions for writ of certiorari. The Court considered 268 petitions for writ of mandamus, 8 miscellaneous petitions and 1 advisory opinion. The Supreme Court transferred ("deflected"), pursuant to §12-2-7(6), *Code of Alabama* 1975, 82 appeals to the Court of Civil Appeals.

The Alabama Appellate Mediation program

The Alabama Appellate Mediation Program was created to provide parties an alternative method of resolving their disputes early in the appellate process, thereby saving the parties time, expense, and uncertainty.

The creation of the program began in July of 2003, when the Supreme Court of Alabama adopted Rule 55, of the Alabama Rules of Appellate Procedure (ARAP). Rule 55, ARAP, provides that any direct appeal, within the jurisdiction of the Supreme Court of Alabama or the Alabama Court of Civil Appeals, which is civil in nature and wherein all

parties are represented by counsel, is eligible for appellate mediation.

In November of 2003, the Supreme Court of Alabama adopted the Alabama Rules of Appellate Mediation. The program began referring appeals to mediation in January of 2004.

After an initial screening phase, a case may be referred (ordered) to mediation. If referred, mediation is mandatory, but settlement is not. The program provides the parties an opportunity to discuss alternatives to the judgment entered by the trial court and possible ruling by the appellate court. Parties and their attorneys work throughout this process with the assistance of a trained mediator of their choosing.

Below is the statistical information for the program during the period October 1, 2019 through September 30, 2020. In this time period, 60% of completed Supreme Court cases referred to mediation reached full settlement. Additionally, 53% of completed mediation cases for the Court of Civil Appeals reached settlement. Since the program's inception in January of 2004, the combined completed cases referred to Appellate Mediation from both the Supreme Court and the Court of Civil Appeals have an average annual settlement rate of 50% or higher.

Standing, from left to right: Judge J. William Cole and Judge Richard J. Minor.

The Alabama Court of Criminal Appeals is a five-judge court having exclusive appellate jurisdiction of all criminal cases, including all post-conviction writs arising therefrom. The Court has authority to issue remedial writs necessary to give it general superintendence and control over all trial courts exercising jurisdiction in criminal proceedings. Judgments of the Court of Criminal Appeals are subject to discretionary review by the Supreme Court of Alabama.

FILINGS

During the FY2020 Term, the Court of Criminal Appeals had a total caseload of 1,840 cases, of which 1,153 were new filings. The 1,153 new filings in the FY2020 Term represent a 23.99% decrease in filings from the preceding term, and a 11.10% decrease in filings from the number of filings five years earlier. This significant decrease is attributable to the COVID-19 pandemic. On March 13, 2020, the Supreme Court of Alabama declared a state of emergency for the entire Judiciary of Alabama. Under that state of emergency, all in-person court proceedings were suspended through May 15, 2020, and jury trials were suspended until September 14, 2020. Even so, many jurisdictions continued not having in-person proceedings and jury trials beyond these dates. The filing of notices of appeal to this Court was directly impacted by the trial courts' inability to resolve criminal matters during the state of emergency.

ALABAMA COURT OF CRIMINAL APPEALS

The Alabama Court of Criminal Appeals, with 257 filings per judge, ranks fourth among all intermediate courts of appeals and eleventh among all appellate courts in the Nation as to the number of cases filed per judge according to court statistics maintained by the National Center for State Courts.

DISPOSITIONS

In the FY2020 Term, the Court of Criminal Appeals disposed of 1,207 cases – 801 appeals and 406 petitions. The Court's throughput for the FY2019 Term was 104.6%, causing the Court to begin the FY2020 Term with 54 less cases than were pending at the start of the FY2019 Term. (See Table 3 for an analysis of the dispositions.)

DECISIONS

The Court of Criminals Appeals issued 651 decisions in submitted appeals during the FY2020 Term. Of these decisions, trial court judgments were affirmed in 500 appeals; trial court judgments were reversed and the causes were remanded in 32 appeals; trial court judgments were reversed and judgment rendered in 3 appeals; 39 appeals were dismissed; 74 appeals were remanded to the trial courts with instructions; 2 appeals were affirmed in part and reversed in part; and 1 appeal was transferred to another court. Written opinions were released in 70 appeals. Memorandum decisions were released in 477 appeals. The Court issued 102 orders in submitted cases. Of those 102 orders, 42 orders were dispositive in nature, 59 orders remanded the matter to the trial court with directions, and 1 order transferred the appeal to the circuit court. Of the 407 original petitions that were disposed of in the FY2020 Term, 10 petitions (2.46% of the total) were granted by the Court.

TIME STANDARDS

In 1989, the Supreme Court, by order, set a 280-day time standards goal that ran from notice of appeal or the filing of a petition to the initial decision. In April 1995, the original goal was modified to conform to the Times Standards Reference Models recommended by the American Bar Association. The current goal is to issue rulings in 75% of all cases within 290 days from their start, and 95% of all cases within 365 days. In the FY2020 Term, 84% of all initial decisions by the Court of Criminal Appeals were released within the 290 days, thus surpassing the 75% goal for the 290-day period by 9%, and 93% were released within 365 days. In the FY2020 Term, the average time from start to the initial decision in all cases increased by 10 days, from 155 days in the FY2019 Term to 165 days in the FY2020 Term. The average time from start to the initial decision in submitted cases increased by 30 days, from 236 days during the FY2019 Term to 266 days during the FY2020 Term. (See Table 4 for five-year summary of Court's Time Standards Performance.)

JUDGES OF THE ALABAMA COURT OF CRIMINAL APPEALS

Judge J. Elizabeth "Beth" Kellum grew up in the Tuscaloosa County town of Vance. She is the daughter of Peggy and Milton Kellum and has one brother, Brian Kellum. Growing up, Beth and her family were members of Vance Baptist Church. Beth is a product of Alabama's public-school system, graduating from Brookwood High School in 1977. Beth was her high school's representative to Alabama Girls State; she was also named a National Merit Scholar, receiving a four-year scholarship which she used to attend the University of Alabama.

Judge Kellum received both her undergraduate and law degrees from the University of Alabama--a B.A. *cum laude* in May 1981, and a J.D. in May 1984. As an undergraduate, she majored in political science and minored in history; she was a Dean's List student and was also elected to Phi Beta Kappa. As a result of her interest in government and public service, she worked as a congressional intern in Washington, D.C. in 1978, interning for her Congressman, Walter Flowers--then the representative from Alabama's Seventh District. In law school she was active in numerous activities, including the SBA Senate, Law Week, and Phi Alpha Delta legal fraternity; she also clerked part-time for a local circuit judge. She was awarded the American Jurisprudence prize for Securities Regulation in 1983, and the American Jurisprudence prize for Labor Law in 1984.

Although interested in many aspects of the law, Judge Kellum was particularly drawn to public service. After completing a judicial clerkship, she was hired in 1985 by Attorney General Charles Graddick as an Assistant Attorney General. She worked in the criminal appeals division where she primarily prosecuted appeals before the Court of Criminal Appeals and the Alabama Supreme Court; however, she also handled cases in the United States District Court for the Northern, Middle, and Southern Districts of Alabama and the United States Court of Appeals for the Eleventh Circuit. Her work as an Assistant Attorney General led to an offer to become a Staff Attorney for the Court of Criminal Appeals from 1987 until 1990.

Judge Kellum then went into private practice with the Montgomery law firm of Robison & Belser, P.A., working on a wide variety of civil and criminal cases in state and federal courts that dealt with diverse and complex legal issues. While Judge Kellum enjoyed private practice and the challenging cases she worked on, she realized that she had never lost her desire for public service--a desire that led her back to the Court of Criminal Appeals in 1997 to work as a Senior Staff Attorney for the newly-elected Judge Jean Brown. She worked as a Senior Staff Attorney for the Alabama Supreme Court from 1999 until 2001, before returning to the Court of Criminal Appeals as the Senior Staff Attorney for then newly-elected Judge Kelli Wise. After working with appellate judges on a day-to-day basis, she qualified as a candidate for the Court of Criminal Appeals and was elected to the Court in November 2008.

Judge Kellum is a member of the First Baptist Church of Montgomery. She has served as a docent at the Montgomery Museum of Fine Arts, and is a member of a number of professional, civic, and political organizations--including the Montgomery County Bar Association, Farrah Law Alumni Society, Alabama Bench and Bar Historical Society, League of Women Voters, Federalist Society, Landmarks Foundation of Montgomery, and various Republican organizations. Her hobbies include reading, bridge, traveling, genealogy, and music.

Judge J. Chris McCool, a lifelong resident of Pickens County, Alabama, grew up on the family farm near Gordo, Alabama, in the Zion Community. He is the oldest son of Harold and Diane McCool, also of the Zion Community. Judge McCool grew up working on the farm that has been in his family for five generations, and which he now manages for his parents.

In 1985, Judge McCool graduated from Pickens Academy as valedictorian. He earned a Bachelor of Arts degree *summa cum laude* from the University of Alabama in 1990, with a double major in History and Classics. In 1990, he received the Algernon Sydney Sullivan Award for outstanding senior man at the University of Alabama. He also served in the Student Government Association as a member of the Student Senate, and as Chief Justice of the Student Court during his undergraduate tenure.

Judge McCool graduated from the University of Alabama School of Law in 1993, where he served as an Associate Justice and ultimately as Chief Justice of the Honor Court. He was a member of the Alabama Law Review.

Immediately after graduation, Judge McCool returned to his hometown of Gordo to practice law with local attorney C.O. Burkhalter. In 1995, he was appointed to serve as the first ever full-time Assistant District Attorney for Pickens County, and in 2001 he was appointed District Attorney for the 24th Judicial Circuit, comprised of Fayette, Lamar, and Pickens Counties.

During his career in public service, Judge McCool served in various leadership roles, serving on the Executive Committee of the Alabama District Attorneys Association ("the ADAA") for 10 years and as its president, vice president, and treasurer during that time. In 2007, he was named "Prosecutor of the Year" by VOCAL (Victims of Crime and Leniency) and "District Attorney of the Year" by the ADAA. He was also named "Prosecutor of the Year" by the Alabama Forest Owners Association in 2012. Since 2010, he has served as a member of the Alabama Supreme Court's Standing Committee on the Alabama Rules of Evidence, and he was a longstanding member of the Northern District U.S. Attorney's Law Enforcement Coordinating Committee.

Both in private practice and as a prosecutor, Judge McCool handled thousands of felony cases and tried dozens of jury trials, ranging from misdemeanor appeals to capital murder cases. He was instrumental in bringing a Drug Court to the 24th Judicial Circuit. Judge McCool served as a municipal court judge for the municipalities of Reform and Pickensville, as well as an adjunct professor in the Trial Advocacy Program at the University of Alabama School of Law from 1998 to 2000.

Judge McCool and his wife, Sherri, live about ten miles north of Gordo, Alabama, in the Zion Community. They have four children and a son-in-law, all of whom are members of Zion Primitive Baptist Church, which Judge McCool pastors. He has lived on the same dirt road all his life and has been blessed to raise his children on the family farm.

ALABAMA COURT OF CIVIL APPEALS

Seated, from left to right: Judge Terry A. Moore, Presiding Judge William C. Thompson and Judge Scott Donaldson.
Standing, from left to right: Judge Christy O. Edwards and Judge Chad A. Hanson.

The Court of Civil Appeals, composed of a presiding judge and four associate judges, was created by the Alabama Legislature in 1969. The Court has original appellate jurisdiction in all civil appeals where the amount in controversy does not exceed $50,000; in all appeals from administrative agencies, other than the Alabama Public Service Commission; in all appeals in workers' compensation cases; in all appeals in domestic relation cases, including annulment, divorce, adoption, and child custody; and in statutory cases, including Students First Act and SHPDA, among others. The Supreme Court may also transfer cases filed in that court to the Court of Civil Appeals for disposition. All decisions of the Court are made en banc. Each judge is required to review each case submitted to the Court.

For FY 2020, the Court of Civil Appeals reported a total caseload of 1,546 cases. This figure includes 1,003 new filings and 543 cases that, at the close of the previous term, were not ready for submission, were on rehearing, or were on review to the Supreme Court of Alabama.

The Court of Civil Appeals disposed of 1,001 cases. Of this number, 173 cases or 17.28% were decided with written opinions.

Case filings in FY 2020 decreased by 6.26% from FY 2019. For the five-year period, FY 2016 through FY 2020, filings decreased by 1.47%.

The total caseload of the Court decreased by 1.21% from the previous year. During FY 2020 the Court disposed of 1,001 cases: 173 were decided with opinion; 381 were affirmed without opinion; 57 were either dismissed, or writs were granted or denied; and 390 were disposed before submission. The average time from notice of appeal to written opinion was 228 days, compared to 201 days for FY 2019.

Of the 611 cases disposed by opinion and summary affirmance, the Court affirmed the judgment of 67.27%, reversed the judgment in 9.33%, in 3.27% of the cases the judgment was affirmed in part and reversed in part; and 20.13% were disposed by dismissal or other reason.

APPLICATIONS FOR REHEARING

An application for rehearing is the method by which one, or both, of the parties requests the Court to reconsider its earlier decision in a case. Of the cases that were disposed by submission and decision, 117 applications for rehearing were filed. Approximately 88.89% of the cases on rehearing had no change.

REVIEW BY THE SUPREME COURT OF ALABAMA

The Supreme Court ruled on 128 petitions for certiorari from the Court of Civil Appeals during FY 2020. Approximately 96.9% of those decisions were upheld by the Supreme Court.

In 1998, West Publishing issued Alabama Workers' Compensation, a two-volume treatise that was written by Moore between 1992 and 1997. That treatise is now considered the leading authority on its subject by the appellate courts of Alabama, having been cited in dozens of cases. Moore has used the knowledge he gained from researching this book to teach workers' compensation law to judges, lawyers, and workers' compensation professionals throughout the State and to provide *pro bono* services.

Judge Moore's greatest accomplishments have been his marriage and the birth of his two sons. He married the former Ashlee Stewart of Mobile in 1992. In 1999, they welcomed Michael Alexander "Alex" Moore to the family and in 2003 the family was completed with the birth of Thomas "Pierce" Moore.

SUPREME COURT AND STATE LAW LIBRARY

The Alabama Supreme Court and State Law Library is the oldest law library in Alabama. Established in 1828 as the Library Society of the Bench and Bar of the Supreme Court, it was a private, nonprofit organization with the purpose of providing a library for the "exclusive use of the Bench and Bar of the Supreme Court of the State." In the late 1800s, when the law library became a state agency, it was Alabama's largest research library and continues that tradition today, serving the Supreme Court of Alabama, the Courts of Criminal and Civil Appeals, and all citizens of Alabama.

The Law Library has approximately 250,000 volumes in its collection but is also fully automated with over 65 computers for staff and library users, including a state-of-the-art computer lab. The Library is one of the oldest United States Government Depository libraries in the United States, having been designated a depository in 1884. Currently, the Law Library occupies approximately 38,000 square feet with space for approximately 80 researchers. It is a public law library, with hours of operation from 8:00 a.m. to 6:00 p.m., Monday through Friday. The Law Library collection contains all of the reported decisions of the state and federal appellate courts in the United States, and the statutes of all 50 states and the District of Columbia, plus Acts of Congress, the United States Code, and the regulations of the various agencies of the United States Government. The legal periodical collection is one of the best in the State with more than 1,000 titles.

The Law Library's rare book collection is considered one of the finest in the southeastern United States. Its oldest book, Symbolaeographia, by William West, was published in 1605, seven years before the completion of the King James Version of the Bible. The collection includes over one-hundred 17th and 18th century law books and several thousand 19th century volumes. Unique to the collection are the briefs of the Alabama Supreme Court cases beginning in 1965, audio tapes of oral arguments of the Court beginning in 1979, and the papers of the Alabama Judicial College.

Beyond the role of the traditional library, the Supreme Court and State Law Library continues to pursue a strategic plan to remain on the forefront of technology. To this end, the Law Library provides public access to Westlaw computer-assisted legal research services, to all users so that they have access to the most sophisticated legal research engines available. In this same way, the Law Library provides Westlaw access to the entire judicial branch of government so that judges, circuit clerks, and other judicial branch employees will have access to legal information at their fingertips. The Law Library maintains an active website which includes the Rules of the State Courts of Alabama and access to the Law Library's online catalog. Additionally, the Law Library has its own computerized public access catalog which includes the online catalogs of the Jefferson County Public Law Library, the Montgomery County Public Law Library, and the Elbert Parsons Public Law Library in Huntsville. All of which can be accessed from the Law Library website http://judicial.alabama.gov/library.cfm. The Law Library also has an active presence on Facebook.

The Law Library showcases the Heflin-Torbert Judicial Building, the appellate process, and the history of the courts through a public education program. This program includes guided tours of the Court, their courtrooms, museum exhibits, and the law library. Since 1994, over 215,000 visitors, mostly fourth-grade students, have participated in the judicial learning experience, understanding how the rule of law impacts our State and Nation.

The Junius Moore Riggs Portrait Collection is also a major part of the Law Library collection. In 1874, Marshal and Librarian Junius Moore Riggs began collecting portraits of governors of the State to hang in the halls of Capitol and in the Law Library. By the time of his resignation in 1934, Riggs had collected 44 portraits including governors, chief justices, and associate justices of the Court. The most notable portrait in the collection is that of Chief Justice George Goldthwaite, painted by Goldthwaite's grand-daughter, noted regional artist Ann Goldthwaite, which hangs in the Antebellum Gallery in the Supreme Court.

In October of 2016, the Law Library, the Supreme Court of Alabama, the Federalist Society for Law & Public Policy Studies, and the Blackstone Center for Law and Liberty at Thomas Goode Jones School of Law at Faulkner University sponsored the exhibit, Magna Carta, An Enduring Legacy, 1215 – 2015, created by the joint effort of the Library of Congress, the Law Library of Congress, and the American Bar Association. The exhibit was on display from October 11th through the 31st in the Rotunda of the Heflin-Torbert Judicial Building. During this period, approximately 1,000 visitors viewed the exhibit.

JUDICIAL INQUIRY COMMISSION

Established, in 1973, by Amendment 328 (the Judicial Article) to the Constitution of Alabama, the Judicial Inquiry Commission is convened permanently with authority to receive or initiate complaints and to conduct investigations concerning any Alabama judge's alleged violation of the Alabama Canons of Judicial Ethics, misconduct in office, failure to perform judicial duties, or inability to perform judicial duties because of a physical or mental disability. The Commission is further authorized to file and prosecute, in the Court of the Judiciary, complaints upon the Commission's finding a reasonable basis exists to charge an Alabama judge with Canon violations, misconduct, failure to perform duties, or inability to perform duties because of a physical or mental disability. In addition, the Commission may render, in its discretion, advisory opinions to judges upon request.

The Judicial Inquiry Commission consists of nine members: an intermediate appellate judge, two circuit judges, a district judge, three laypersons, and two attorneys. The three laypersons and the district judge are appointed by the Governor and are subject to Senate confirmation; the two circuit judges are appointed by the Circuit Judges' Association; and the two attorneys are appointed by the Commissioners of the Alabama State Bar. The Commissioners serve four-year terms.

The Judicial Inquiry Commission carried over, to fiscal year 2020, nine complaints against Alabama judges, and it received 148 complaints during fiscal year 2020. Of those 157 complaints, 118 were dismissed, without investigation, on the Commission's findings that these complaints did not present either a reasonable basis to charge, a claim within the Commission's jurisdiction, or an ethical violation, or a combination of any of those three. In addition, the Commission completed investigation of 24 complaints and subsequently dismissed those complaints. (Investigation of seventeen other complaints was carried over to fiscal year 2021.) The Commission met with five judges about complaints against those judges, and the Commission subsequently dismissed two of those complaints in 2020.

The Commission filed charges against three judges in the Court of the Judiciary. In addition to the seventeen complaints under investigation, ten complaints pending the Commission's consideration were carried over to fiscal year 2021.

ADMINISTRATIVE OFFICE OF COURTS

The Chief Justice of the Alabama Supreme Court is the chief administrative officer of the State's court system and is authorized to appoint an Administrative Director of Courts (ADC) and other personnel to assist in the performance of administrative responsibilities. This constitutionally created entity overseeing Alabama's Unified Judiciary is called the Administrative Office of Courts (AOC).

The Alabama Unified Judicial System is a state-funded court system consisting of the Supreme Court and two intermediate courts of appeal, the Court of Criminal Appeals and the Court of Civil Appeals. The systems also includes the trial courts of general jurisdictions (the circuit courts) and the courts of limited jurisdiction (the district, probate, and municipal courts). Municipal courts receive training and technical assistance from the AOC although judges and court personnel are selected by and answerable to their city governments. Probate judges and their staff are county employees.

The AOC, under the direction of the Administrative Director of Courts, is charged with providing the centralized, state-level administrative support necessary to the operation of the State court system, which includes the development of improved procedures and systems to increase the operational capacity of the courts, the collection and dissemination of information necessary for the development of policy, and the efficient operation of the courts. Alabama was one of the first states in the nation to have a unified state court system with uniform procedures and centralized administrative services. The Unified Judicial System of Alabama (UJS) has been in existence since 1977.

The AOC carries out its responsibilities through a network of specialized divisions. This necessary link within the court system successfully implements plans addressing the training, educational, and developmental needs of officials and employees of the Unified Judicial System. These tasks are implemented in part by and through the Alabama Judicial College, along with the support of statewide technological expertise and implementation of the Information Technology Divisions.

The AOC also houses basic support departments such as Human Resources and Finance, but there exists more specialized departments such as the Family Court Division, the Legal Division, and the Public Information Office. The AOC is most specifically made up of talented individuals from many walks of life serving the needs of their fellow citizens.

INFORMATION TECHNOLOGY DIVISION

The Information Technology (IT) Division provides the support necessary for the day-to-day business operations of the Unified Judicial System, both in the trial courts and the Administrative Office of Courts. The IT Division aids in the enhancement of administrative functions using technology and coordinates with state agencies regarding sharing of services and information. The IT Division makes available public information to the criminal justice community, social and juvenile services, and the public as a whole. Additionally, this division offers online services to all 67 counties at all court sites, juvenile offices, and pardons and paroles offices. Finally, the IT Division maintains current UJS applications as well as new developments and upgrades.

The IT Division, the largest area of operation within the AOC, is responsible for the development and maintenance of automation within the UJS. The sections in this area include: Applications Programming, Information Technology Support, Information Technology Helpdesk, Mainframe, and Networking.

Applications Programming

This section is responsible for the development and the maintenance of all automated systems supporting the information management needs of the UJS. This section designs, develops, tests, implements and maintains the mainframe and server-based applications that comprise the Alabama Statewide Judicial Information System (SJIS).

Project management functions are provided to judicial system contractors and business partners. Daily, this section performs system analysis, develops product specifications, tests, approves and implements new systems, and serves as a mediator between user groups and contractors.

One of the premiere case management applications in the nation can be found in Alabama; MIDAS (Model Integrated Defendant Access System) was developed for use by Alabama Court Referral Officers in 2003. The application allows users the opportunity to manage offenders from one application; court records, criminal and driving histories and case management functionality are available in one location.

In 2005, MIDAS was rewritten with new functionality that allowed Drug Courts, District Attorneys, and Community Corrections Officers to utilize the application. In 2007, MIDAS was rewritten for the third time. Also, in 2007, Juvenile Probation Officers saw the impact MIDAS was making as a complete defendant case management tool and released their version of MIDAS, named JUPITIR (Juvenile Probation Intake Treatment Integrated Resource), in the summer of 2009.

In February 2010, a new in-house helpdesk trouble ticketing system was deployed. SHARK (Service Helpdesk Assistance Repair and Knowledge) provides an avenue for UJS users to report and track technical support issues by submitting a "ticket" via a website interface. SHARK allows user requests for assistance to be acted upon in a timelier manner than previous error reporting methods.

In 2012, the UJS Portal was created to provide a centralized website for court staff to get the latest news and updated forms and manuals.

In 2013, the Court Referral Education Program was added to the MIDAS application. This module is used to provide a link between the Court Referral Officers and the Court Referral Education Program. It allows instructors to manage their own bookkeeping and journals, provides class management, and informs a Court Referral Officer when defendants complete their classes.

In 2014, the eWorksheets application was rewritten with enhanced security and functionality, along with a significant number of upgrades to better serve the courts using the latest technology. This application is used to complete sentencing worksheets by District Attorneys and other court staff in all counties

In 2015, the eTranscripts application was rewritten to improve performance, compatibility and security issues. The eTranscripts application is a web-based tool designed to assist the circuit clerk offices and the Department of Corrections in creating and processing electronic transcripts. This application was rewritten from the ground-up utilizing the most current technology available.

In 2016, the Alacourt.gov website was redesigned with a more modern look and feel. It was also designed to be compatible with mobile-based devices for easier use.

Also, in 2016 all file transfers were migrated to a new centralized and secure process utilizing our MoveIT DMZ, WS_FTP and MoveIT Central software developed by IPSwitch. It also allows users to securely transfer sensitive or large files between other users and organizations.

In 2017, the Judicial College Conferences website was completely rewritten to offer a more modern look and feel, and to provide support for mobile devices. The Conferences website is a web-based tool designed to allow Judicial College employees to create and post conference events online, via new administration screens. Users then login to the Conferences site to sign up for conferences and training events Statewide, and to view their Continuing Education Units/Credits.

Also, in 2017, websites were recreated for the following counties: Pike, Bessemer, Morgan, Macon, Talladega, Clay, Chilton, Washington, Marshall, Marion, Etowah, Escambia, Elmore, Baldwin, Autauga and Lee counties. These websites allow circuit clerk offices to assist the public and reduce the amount of phone calls received.

In 2018, county websites were created for Perry, Calhoun, Dallas, Blount, Monroe, Cherokee, and Jackson County circuit clerk offices.

In 2018, a website was also created for the Alabama WINGS (Working Interdisciplinary Network of Guardian Stakeholders) program. It delivers information, resources and tools throughout the legal system and to the general public, as a means of supporting decision-making and providing protective services to individuals.

In 2018 a calendaring system was created for the Heflin-Torbert Judicial Building to manage building-wide events between the Administrative Office of Courts and the Appellate Courts.

In 2019, websites were created for Tuscaloosa, Jefferson, Cullman, Lawrence, Montgomery, Dale, Geneva, Bibb, Barbour, Wilcox, Colbert and Pickens counties.

In 2019, the Sentencing Commission, E-Forms and UJS-Portal websites were redesigned and modernized. The Alabama Sentencing Commission works to establish and maintain an effective, fair, and efficient sentencing system for Alabama that enhances public safety, provides truth-in-sentencing, avoids unwarranted disparity, retains meaningful judicial discretion, recognizes the most efficient and effective use of correctional resources, and provides a meaningful array of sentencing options. The E-Forms website contains fillable forms used by court staff, attorneys and *pro se* litigants. The UJS Portal website was developed for judges, circuit clerks, court specialists, court referral officers, judicial assistants, juvenile probation officers, and specialty courts. These private-access pages provide the means for the dissemination and sharing of valuable information and resources, including documents, memoranda, manuals, training materials and videos.

In 2020, county courthouse websites were created for every county to inform the public of the latest COVID-19 orders and jury information. Most of these new websites contain basic contact information for the courthouse staff with plans to expand the information available to the public regarding topics such as absentee voting, forms, filing fees and additional division specific information.

In March 2020, all jury term dates were cancelled due to the pandemic. This necessitated notification of all summoned jurors of the cancellation, and temporarily halted issuance of future juror summons.

In September, 2020 a few counties resumed submitting jury summons. Then, by November, 2020 most every county was back to a normal summons process. Due to the backlog of court cases that needed to be heard, a process was put in place for some counties to summons potential jurors on the same day at different times. Clerks' offices could summons more jurors and handle a larger caseload in the courtrooms each day.

The Applications Staff is currently working on numerous projects that are scheduled for deployment during the next 12 months. These projects include the following:

- Modernization of the JUPITIR Application. The JUPITIR application is a web-based tool is a case management tool for Juvenile Probation Officers within the state of Alabama. This application will be rewritten from the ground-up utilizing the most current technology available to provide a more streamlined and fault tolerant system for processing juveniles.

- Modernization of the CASPER Application. The CASPER application is a web-based tool designed to assign and manage jurors in a court room. It has been in pilot phase for only a few counties but will require a redesign of the interface in order to work in the latest browsers.

- County and Circuit Website Maintenance. Maintenance of approximately 100 websites for Circuit Clerks, Judges and other judicial entities. The primary users of these sites can update their site's content as required, but AOC continues to provide most of the updates as necessary.

- Personnel Action Project. The HR Desktop application is a web-based tool designed to manage leave requests and employee performance evaluations. The Personnel Action module will be added to this application to allow for electronic data entry and automation of the personnel action process to streamline the submission of forms from the field to the Human Resources Division.

- Application Maintenance Project. Ongoing project to ensure that modifications and enhancements are made to existing applications to improve security and optimize performance.

- Court Cost Changes and Legislative Updates. Each year the Alabama Legislature enacts legislation that requires changes to the SJIS. These types of changes primarily facilitate updates to various fee schedules in-force in specific jurisdictions and at times requires changes to fee schedules on a statewide basis. Other common programming actions required by specific legislation includes: Charge code additions and/or deletions; inter-agency data exchange requirement updates; and ad hoc management reporting functions.

MAINFRAME

The Mainframe section of the Administrative Office of Courts is responsible for the availability for the Statewide Judicial Information System (SJIS) which handles an average of 1.5 million transactions per day. Among these responsibilities are making sure the online aspects of our system are available and operating at optimum performance, providing assistance to users concerning report output, maintaining Mainframe equipment at user sites, and handling large volumes of mailed output.

The Mainframe system is constantly monitored to make sure there are no problems that could affect the SJIS users and others that require information from SJIS. The Mainframe section is responsible for the security of SJIS data and provides the data integrity and timely backups of all data on a daily basis. The Mainframe section also ensures that all Mainframe software is maintained and configured properly as well as providing technical support to other sections of the AOC.

Our IBM Z12 model has 8 GB FICON channels which provides us with maximum speed for our data transfers between disks and tapes. It also provides the amount of memory in the Z12 that results in much faster processing times. The Z12 uses the latest IBM internal processor instructions and that has improved system performance as well for all SJIS Applications.

We have continued to work on the following projects:

- Evaluating All Third-Party Software: This helps ensure the System performs to its fullest capacity and serves our customers. This software must have latest code level and product keys for our mainframe to perform at its peak.

- USPS Postal Requirements Up to Date: USPS requirements change almost weekly. Staying up-to-date allows us to continue to get the lowest discounts on the millions of mailers we produce on the mainframe.

- Ensure Daily Operations: Operation of the Mainframe to be stable and constant.

- Training new Staff in the Systems Operations Division.

PRINTSHOP

The AOC Print shop is responsible for producing envelopes for all of the UJS officials as well as multipart forms and other products, as requested. As of the end of 2020 we have printed over 11 million envelopes since installing a new envelope printer in August of 2017. We now have much faster order turn around and service to the courts. The reduced cost of supplies for the new printer has enabled us to save money while providing much better service. Our equipment provides us better technology as well as a reduction in per-copy costs.

The PC Helpdesk is responsible for providing information technology (IT) support to all Alabama Judicial system personnel. This IT support includes but is not limited to PCs, laptops, printers, scanners, and other technology devices.

In 2020, the PC Helpdesk processed approximately 3,000 Service Helpdesk, Assistance, Report, and Knowledge (SHARK) tickets and received over 23,000 telephone calls.

All UJS sites have been upgraded from Windows 7 to Windows 10 (including most users being placed on laptop\docking station solutions). Traffic Service Center / Traffic Call Center

The Income Tax Intercept Program interacts with the public, as well as the trial courts, in providing information that streamlines the collection of court ordered monies and assists circuit clerk's offices by diverting information inquiries to a central location. In fiscal year 2020, $2,088,344.69 was recovered in delinquent court ordered monies through this section.

The SJIS Helpdesk and Accounting/ Bookkeeping Program provide technical assistance with the processes of the State Judicial Information System (SJIS) through training, manuals, inquiries, and problem resolution.

ALABAMA JUDICIAL COLLEGE

The Alabama Judicial College, a section of the Education and Planning Division of the Administrative Office of Courts, is charged with the implementation of a comprehensive plan that addresses the educational, developmental, and training needs of members of the Unified Judicial System. Continuing education and training programs administered by the Alabama Judicial College recognize the career development needs of court officials and employees. Historically the College develops and coordinates over sixty-meetings on a yearly basis which include on-site and off-site conferences, regional trainings, and seminars for officials and employees of the circuit, district, and municipal courts. Since its inception, the College has followed a comprehensive model of adult learning theory which emphasizes continuing education of all court officials and staff to enhance the proper administration of justice.

During Fiscal Year 2020, the Alabama Judicial College was side-lined due to the COVID-19 pandemic and over 90% of off-site trainings were canceled. Moreover, the training division did host (5) webinar trainings with Judges and Clerks with the judiciary. In late September and early November, they implemented limited seating for JPO and

Court Specialist trainings off site. Currently, the judicial college has changed their in-person training guidelines to coincide with the COVID-19 Pandemic.

FAMILY COURT DIVISION

The Family Court Division provides services in eight different, but related, areas for the Alabama judicial system. Those areas include:

- Unified Family Courts
- Juvenile Probation Services
- Access and Visitation Grant Program
- Court Improvement Program Grants
- Judicial Volunteer Program
- Child Support/Referees
- Violence Against Women Act (VAWA) Grant
- Accountability Courts

The goal of this division is to provide a wide array of services so that the juvenile and family courts can be more efficient and effective for families and children in Alabama.

Unified Family Court

The concept of a unified family court is to place cases dealing with juvenile and family law in one court in order to serve the families more effectively and efficiently. Family Courts or family court divisions have been established, either by statute or local act, in the following counties:

- Calhoun
- Cleburne
- Dale
- Geneva
- Henry
- Houston
- Jefferson
- Lee
- Madison
- Marshall
- Mobile
- Montgomery
- Russell
- Tuscaloosa

Juvenile Probation Services

The Family Court Division manages the State Juvenile Probation Officer Program, which was created in 2000 in response to the mandate of the Alabama Legislature in § 12-5A-1, *Ala. Code* 1975, that a comprehensive system of juvenile probation services be developed, implemented, and administered by the Administrative Office of Courts.

Juvenile probation officers are an integral part of the juvenile justice system. Juvenile probation officers perform a variety of services which are essential to the proper operation of the juvenile courts including working primarily with youths who are alleged to be delinquent or in need of supervision.

The functions of the Family Court Division, with respect to juvenile probation officers, include the establishment of statewide guidelines, certification, and training standards. Currently, there are 269 juvenile probation officers statewide. Of those, 169 are employed by the Unified Judicial System, along with 19 UJS juvenile support personnel. These personnel serve 62 of Alabama's 67 counties. The program provides juvenile probation salary subsidies to the five counties in which juvenile probation officers are county employees.

Access and Visitation Grant Program

The Administrative Office of Courts, through the Family Court Division and the Alabama Law Foundation, Inc., administer the federally-funded Access and Visitation Grant Program, the goal of which is to develop programs and services to improve noncustodial parents' access to and visitation with their children. The grant has an Advisory Committee, chaired by the Honorable Adrian Johnson, District Judge of Lowndes County. Funds from the grant are primarily used to fund eight subgrantee programs that provide one or more of the following services: mediation of visitation issues;

parenting education programs; development of parenting plans; counseling; neutral drop-off/pick-up; supervised visitation; and visitation enforcement.

Court Improvement Program (CIP) Grants

Basic CIP Grant

The Basic CIP grant is a federally-funded program that has been administered by the AOC since FY 1995. The goal of the grant is to streamline juvenile court procedures and processes so that children adjudicated dependent may be placed in safe, permanent homes as quickly as possible. The primary activities of the Grant include the following:

- Guardian ad Litem (GAL) Certification and Recertification Training (Note: As of 9/30/2020, 1,174 attorneys were on the certified GAL appointment list)
- Parents' Attorney Training
- Probate/Juvenile Judge Subcommittee
- Collaborative Activities with the Alabama Department of Human Resources (DHR)
- Assessment of the Alabama Juvenile and Family Courts

CIP Training Grant

Beginning in September 2006, the AOC, through the Family Court Division, began administering a grant from the federal government primarily to be utilized for training initiatives. This grant has an advisory committee, chaired by Associate Justice Kelli Wise. The primary objectives of this grant include training new juvenile and family court judges, administrative support assistants, and other juvenile court officials and employees on various topics when needed.

CIP Data Collection and Analysis Grant

Beginning in September 2006, the AOC, through the Family Court Division, began administering another grant from the federal government primarily to be utilized for data collection and analysis to help ensure that foster children's needs for safety, permanency, and well-being are met in a timely and complete manner. Primary activities include the following:

- Continual updating and revising current data collection methods
- Developing cross-system collaboration between existing state systems
- Developing and implementing enhancements to the electronic information systems

The Judicial Volunteer Program

By order of the Supreme Court of Alabama dated January 19, 2000, effective March 1, 2000, Rule 42, Alabama Rules of Judicial Administration, was adopted allowing the use of a Judicial Volunteer Program in those circuit or district courts choosing to do so.

Carefully screened, interviewed, and trained citizen-volunteers are utilized in appropriate programs to assist in the court process. There are seven judicial volunteer programs throughout Alabama. Most programs have a judicial volunteer program coordinator overseeing these programs.

One aspect of the Judicial Volunteer Program is the Juvenile Conference Committee. Juvenile Conference Committees are authorized pursuant to Rule 15.1, Alabama Rules of Juvenile Procedure. Through the use of Juvenile Conference Committees, a large percentage of petitions filed in juvenile court can be diverted and disposed of expeditiously. The Juvenile Court can then devote more time to dealing with the serious and repeat juvenile offenders.

Another aspect of the Judicial Volunteer Program is district court mediation in which trained volunteers are used as mediators in specific cases in district court, mostly small claims.

Child Support/Referees

The Alabama Central Disbursement Division (ACDD) of AOC was established as a result of a federal law known as the Welfare Reform Act of 1996. This law required that a single location be established in each state where employers could send wages withheld for child support, to be processed. In FY 2020, ACDD disbursed 488,473 pay-

ments, totaling over $137,950,425 dollars; averaging 40,706 payments of just under $11.5 million dollars, monthly.

Non-Title IV-D payments (or wages withheld but not processed through the Alabama Department of Human Resources) are receipted at a central location and disbursed by the ACDD. Payments are receipted at the Child Support Payment Center and disbursed to the custodial parent the next business day. Paper checks are no longer issued. Payments are sent to the recipient's checking account, savings account, or personal debit card. The result is a much safer and quicker process than paper checks, which benefits the child and the public. Recipients are notified via email when a payment is released.

With recent changes to the central website all payments received are posted by 7:00 am (CST) the next day. This enhancement has reduced the number of incoming calls to the ACDD and allows parents to find out about their support payments, without having to call. Parents also have the ability to view and print out their own payment histories from the website, as needed. Parents are encouraged to call the ACDD or send an email, if they have questions. The ACDD Call Center is open Monday through Friday, from 7:00 am until 5:00 pm (CST).

During FY 2020, there were 8 full-time and 19 part-time referees who served 23 counties. 22 of these referees were funded by the Alabama Department of Human Resources with federal child support monies.

VIOLENCE AGAINSTWOMEN ACT (VAWA) GRANT

This Grant is for the purpose of educating judicial officials and employees and other stakeholders on the causes and consequences of domestic violence, the actual content of the domestic violence and protection from abuse laws, and national and other state best practices in this area. This project is also for the purposes of presenting court officials with enhanced skills in domestic violence as well as to develop or expand existing automated systems to link police, prosecutors, and courts for the purpose of tracking arrests, protection orders, and convictions for violent crimes against women.

ACCOUNTABILITY COURTS

DRUG COURTS

Alabama currently faces severe issues with prison overcrowding. Model Drug Courts are one way of dealing with this problem. Drug Courts represent the coordinated efforts of the judiciary, prosecution, defense, probation, law enforcement, mental health, social services, and the treatment community to actively and forcefully intervene and break the cycle of substance abuse, addiction, and crime.

Currently, there are 56 Adult Drug Courts, in Alabama's 67 counties. On average, there are 2,100 active adult Drug Court participants each month in Alabama. Drug Courts are utilized as an alternative sentencing method to: (1) assist non-violent offenders who have committed offenses while under the influence of alcohol or drugs to be given the opportunity to turn their lives around, and (2) make the public safer while reducing the demand for prison space. Alabama also features several other Problem-Solving Courts (specialized courts modeled after Drug Courts focused on addressing other underlying issues of chronic criminal behaviors) including 16 Family Drug Courts with an average of 300 active participants, 9 Juvenile Drug Courts with an average of 160 active participants, 28 (9 combined with Drug Courts) Veterans Treatment Courts with an average of 149 active participants, and 12 Mental Health Courts with an average of 170 active participants.

COURT REFERRAL OFFICER AND EDUCATION PROGRAMS

The Court Referral Officer (CRO) Program began in 1985 as a pilot program to assist judges in early identification and placement of DUI offenders as one method of reducing the devastating problem of drunk driving. Since the implementation of the Mandatory Treatment Act of 1990, Court Referral Officers have provided services to defendants in a broader spectrum of cases related to alcohol and drug use or abuse. The CRO and Court Referral Education Programs are Alabama's legacy programs when dealing with alcohol and drug offenses.

CROs are a key ingredient in Alabama's comprehensive approach to the management of case involving substance abuse or other related issues. Utilizing the Operational Screening Criteria, CROs provide a thorough evaluation and make the appropriate recommendations for each defendant. This important information will ensure placement of each defendant in the most appropriate program to supplement traditional judicial sanctions.

Local Court Referral Programs were developed to provide defendants in alcohol and drug abuse-related offenses with education and treatment referral services, and to act as "resource brokers" within local communities. These programs were designed to be used in conjunction with court orders, not as a replacement for judicial sanctions.

In fiscal year 2020, 14,467 defendants were evaluated and referred for education or treatment. Of these defendants, 1,773 were placed in the Level I education programs, 7,154 were placed in the Level II education programs, and 5,113 were referred to Level III outpatient or inpatient programs. There were 84,467 monitoring sessions conducted in FY 2020.

The AOC certifies and contracts with 25 agencies to provide alcohol and drug education programs and more than 100 CROs to evaluate defendants and provide monitoring sessions throughout the State. The Court Referral Program receives no General Fund monies.

Many Community Corrections and Drug Court programs across Alabama include Court Referral Officers. This important meshing of these services has met with broad success.

FINANCE DIVISION

The Finance Division of the Administrative Office of Courts, under the direction of the UJS Finance Director, is charged with the professional management of all funding resources allocated to the AOC and the trial courts of the State of Alabama. Support services are provided in the areas of budget preparation, accounting, purchasing, executive contract reviews, state agency contracts, county expense claims, property inventory, records management, and UJS expenditure management.

The Finance Director serves as a liaison with the appellate courts regarding fiscal matters and responds to questions pertaining to judicial finances from the Alabama legislative and executive branches of government. The total expenditures of the trial courts and the Administrative Office of Courts for fiscal year 2020 was $184,840,104.

Grants awarded to the Administrative Office of Courts and trust accounts are administered by the grants accountant and the various project managers, in accordance with the appropriate policies and procedures. Expenditure vouchers are processed by accounting staff in accordance with procedures administered by the State Comptroller, as well as the monthly balancing of all revenues and expenditures. The UJS Finance Division participates in financial and property audits as scheduled and coordinated with the State Examiner of Public Accounts and Office of the State Auditor to ensure compliance with all State government accountability procedures.

Additionally, the responsibilities of the UJS Finance Division include juror payments. Approximately 31,294 jurors served the Circuit Courts of Alabama from October 1, 2019 through September 30, 2020. Juror payments totaled $751,988 in FY 2020.

The Finance Division has the responsibility of overseeing property management within the Alabama circuit and district courts and the AOC for state-owned commodities. The Unified Judicial System currently has approximately 10,235 active State property assets with a value of $500 or more. These commodities are currently included on the statewide UJS inventory with an acquisition value in excess of $13,187,119 dollars.

HUMAN RESOURCES DIVISION

The Human Resources Division of the Administrative Office of Courts provides a full range of human resources services to the judicial branch of government and the general public. Direct support is provided to approximately 1,852 Unified Judicial System officials and employees. These officials and employees include 133 appellate judges and employees (to include 2 Alabama Sentencing Commission Employees), 1,636 trial court officials and employees (appx. 247 are county funded employees), and 83 (2 temporary employees) Administrative Office of Courts staff.

PERSONNEL OPERATIONS

The personnel operations section of this division processes all personnel actions. In fiscal year 2020, more than 3,500 separate actions were processed manually, including appointments, separations, leaves without pay, three and six-month probationary paperwork, and longevity bonuses, preparing and distributing salary adjustment invoices, as well as other miscellaneous actions such as tax, address, and name changes. The operations section maintains all employee personnel records and position control for the judicial branch of government, using an automated information system and periodic reports. This section also audits all Unified Judicial System payrolls and certifies state service for the annual longevity bonus and conducts background checks and E-verify for applicants for the pre-employment screening process.

PAYROLL OPERATIONS

The payroll section of the Human Resources Division provides or processes services such as: daily data entry, timesheets, one-time pay, supplemental pay, circuit clerks' restitution, reimbursement checks, Title IV-D payments, duplicate/cancelled warrants, county supplement, FICA cut offs, W-2 and eMap service requests through the year, JPO fund updates, insurance, reimbursement for separated/terminated/retired employees, longevity bonuses, deferred compensation (e.g., Great-West, RSA-1, United Way) funding source/organization code changes, unemployment compensation, insurance billing, direct deposits, employment verifications, retirement contributions, and miscellaneous deduction.

FRINGE BENEFITS

The Human Resources Division is responsible for monitoring a leave program (Human Resources Desktop) for approximately 1,435 leave-earning UJS employees. Because leave represents a potential debt of the UJS, the Human Resources Division audits leave accounts annually.

TESTING AND RECRUITMENT

For fiscal year 2020, approximately 400 applicants took the written court specialist examinations that were given in the State of Alabama. In addition to maintaining the open and promotional court specialist registers, the division issued numerous special job announcements for positions at the AOC, the trial courts, the appellate courts, and the State Law Library. Approximately 805 total applications were received from these announcements.

EQUAL EMPLOYMENT OPPORTUNITY

There were 535 minorities employed in the UJS. This included 67 elected officials. Minorities comprised 28.89 percent of the total Unified Judicial System work force. The Human Resources Director is also the EEOC Officer for the UJS.

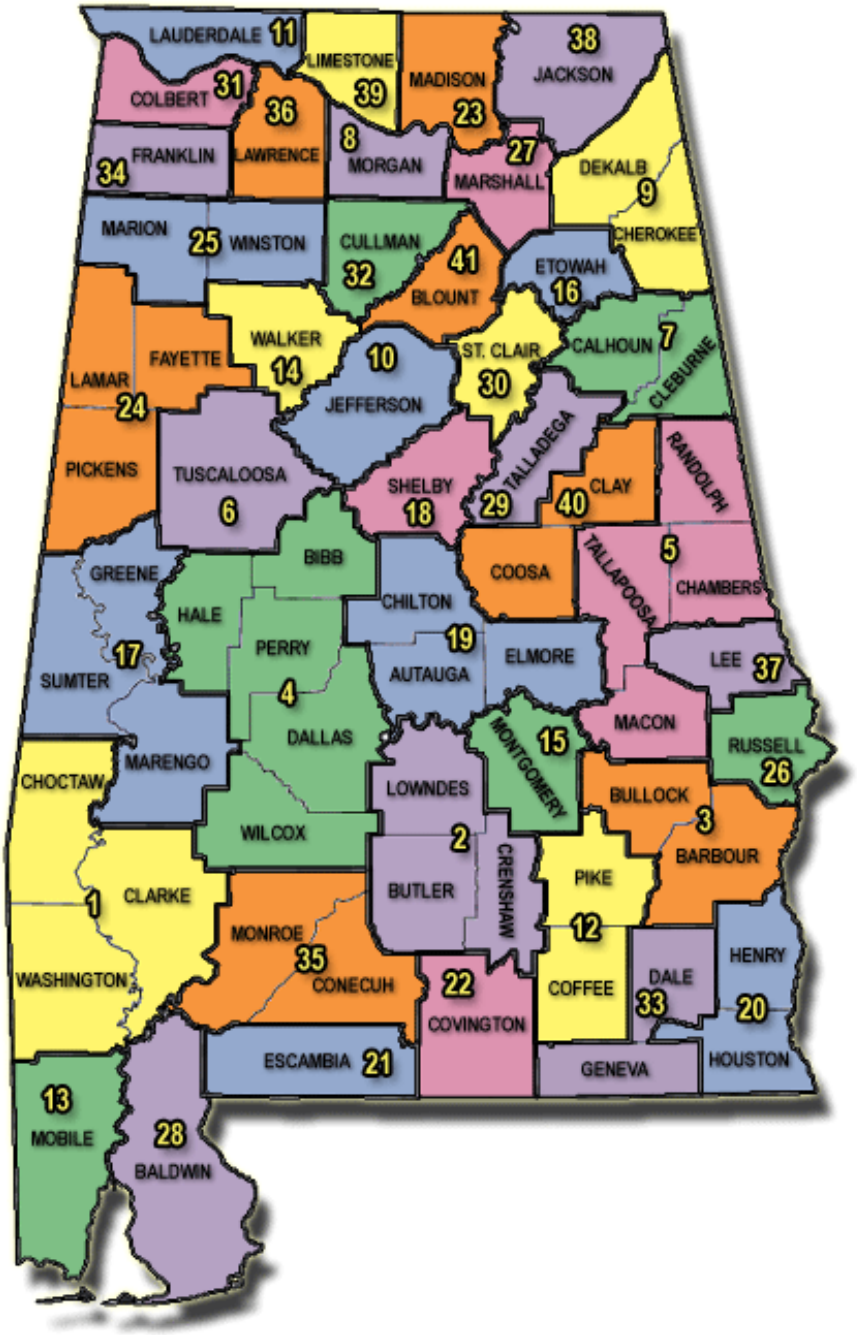

LEGAL DIVISION

The Legal Division assists the Chief Justice, the Administrative Director of Courts, Alabama's circuit and district judges, circuit clerks and AOC's division directors in resolving legal issues that arise in the performance of their respective duties, and in the daily operation and administration of the United Judicial System. The Division provides court officials and court staff with updates on changes to statutory and case law, rules of court and court procedural manuals.

Legal Division staff attorneys routinely serve as Judicial College faculty members, providing needed instruction at periodic training sessions and conferences. Upon request, staff attorneys conduct legal research and discuss legal issues with judges and other court officials.

In addition, the legislative function is staffed by the Legal Division to provide a liaison between court and legislative officials on court-related matters.
